DEVELOPMENT OF CASSAVA (Manihot esculenta Crantz)
LEAF MEAL AS AN ANIMAL FEED

by

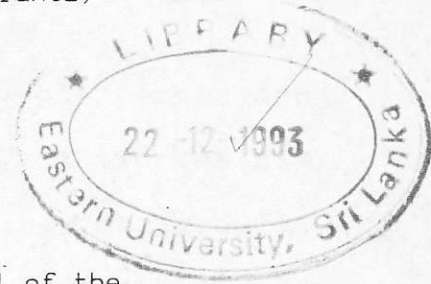

Velmurugu Ravindran

Dissertation submitted to the graduate school of the
Virginia Polytechnic Institute and State University
in partial fulfillment of the requirements for the degree of

DOCTOR OF PHILOSOPHY

in

Animal Science

ExPhD14

Thesis

TABLE OF CONTENTS

ACKNOWLEDGEMENTS.....	ii
TABLE OF CONTENTS.....	iv
LIST OF TABLES.....	vi
Chapter page	
I. INTRODUCTION.....	1
II. REVIEW OF LITERATURE.....	5
The Cassava Plant.....	5
Nutrient Composition.....	6
Amino Acid Composition.....	11
Protein Quality.....	13
Productivity of Cassava Leaves.....	15
Cyanogenic Glucosides.....	17
Cyanide Toxicity.....	21
Other Anti-nutritional Factors.....	24
Cassava Leaves as Human Food.....	25
Detoxification of Cassava Leaves.....	26
Feeding Value for Poultry.....	28
Feeding Value for Swine.....	31
Cassava Leaf Protein Concentrates.....	33
III. EVALUATION OF CASSAVA LEAF MEAL AS A REPLACEMENT FOR COCONUT OIL MEAL IN BROILER DIETS.....	37
Introduction.....	37
Materials and Methods.....	39
Preparation of CLM.....	39
Analytical Procedures.....	39
General Procedures.....	40
Treatments and Design.....	43
Results and Discussion.....	45
Nutrient Composition.....	45
Level of COM Replacement.....	48
Effects of Dietary Supplementation.....	54
Effects of Cyanide Level.....	60
Conclusions.....	62

Chapter	Page
IV. FEEDING VALUE AND DIGESTIBILITY OF CASSAVA LEAF MEAL FOR SWINE.....	64
Introduction.....	64
Materials and Methods.....	66
Preparation of CLM.....	66
Feeding Trials.....	66
Balance Trials.....	70
Results and Discussion.....	71
Feeding Trials.....	71
Balance Trials.....	74
Conclusions.....	82
V. INFLUENCE OF PROCESSING AND STORAGE ON THE HYDROCYANIDE CONTENT OF CASSAVA LEAF MEAL.....	84
Introduction.....	84
Materials and Methods.....	85
Processing Methods.....	85
Storage.....	86
Chemical Analyses.....	86
Results and Discussion.....	86
HCN content of Fresh Cassava Leaves.....	86
Effects of Processing.....	88
Effects of Storage.....	93
Conclusions.....	93
VI. EFFECTS OF LEAF HARVESTING ON ROOT AND LEAF YIELDS OF CASSAVA.....	95
Introduction.....	95
Materials and Methods.....	96
Results and Discussion.....	98
VII. GENERAL CONCLUSIONS.....	103
LITERATURE CITED.....	107
APPENDIX.....	121
VITA.....	129
ABSTRACT
